PROFESSIONAL SUMMARY

Senior Flutter Developer with 4+ years building scalable Android and iOS applications using Clean Architecture, SOLID principles, and BLoC / Cubit / Riverpod state management. Skilled in Firebase, REST APIs, native Method Channels (Kotlin/Swift), and BLE/UART embedded integrations. Delivered healthcare and enterprise products used for 1L+ (100,000+) diagnostic screenings and by 100+ enterprise users, cutting crash rates by 35%.

TECHNICAL SKILLS

Mobile: Flutter, Dart, Kotlin, Java, Swift, Android, iOS, Custom Widgets, Material Design, Cupertino, Offline-First

Architecture: Clean Architecture, MVVM, MVC, SOLID, Design Patterns, Dependency Injection, BLoC, Cubit, Riverpod, Provider, GetX

Backend & Cloud: REST APIs, Dio, GraphQL, JSON, Firebase (Auth, Firestore, FCM, Crashlytics, Analytics), Push Notifications, AWS

Storage: Hive, SQLite, SharedPreferences, Secure Storage, Data Encryption, JWT, Authentication Workflows

Native & Embedded: Method Channels, Native Modules, Camera2 API, BLE (GATT), UART, Sensors, Raspberry Pi 5, Qt/QML, C++, Dart Isolates

AI & ML: On-Device ML Inference, Python Inference (Chaquopy), Computer Vision, Edge AI, LLMs, Claude Code, GitHub Copilot

Testing: Unit Testing, Widget Testing, Integration Testing, Code Reviews, Debugging, Crash Analysis, Regression Fixes

DevOps: Git, GitHub Actions, CI/CD, Fastlane, Agile/Scrum, Release Management, Code Signing, Play Store & App Store Deployment

Professional: Cross-Functional Collaboration, Technical Communication, Mentoring, Code Review Culture, Agile Ceremonies, Requirement Analysis

PROFESSIONAL EXPERIENCE

Senior Flutter Developer — SmartQR Technologies Pvt. Ltd.

Aug 2023 – Present

Pune, India | Published Apps: [Android](#) [iOS](#)

- Led development of **7+ cross-platform Flutter apps** powering **1L+ (100,000+) diagnostic tests** with **22k+ downloads**.
- Shipped an **enterprise HRMS for 100+ employees** with real-time background location tracking for **40+ field staff** via **Dart Isolates**.
- Reduced crash rates by 35%** using **Firebase Crashlytics**, structured exception handling, and **crash analysis**.
- Built **Flutter Embedded** on **Raspberry Pi 5** with real-time device communication across **3 protocols — Wi-Fi, BLE (GATT), and UART**.
- Owned **Play Store** and **App Store** release cycles — builds, multi-environment deployment, **code signing**, and **CI/CD**; **collaborated cross-functionally** with backend, QA, and design in **Agile/Scrum**.

Flutter Developer — PiSyst India Pvt. Ltd.

Jan 2022 – Jul 2023

Pune, India

- Developed **4+ cross-platform apps** using **Flutter** with **BLoC / Cubit** and **GetX** for maintainable UI logic.
- Translated **Figma** designs into pixel-accurate, responsive **Android** and **iOS** interfaces, validated via **unit testing** and **code reviews**.
- Integrated **REST APIs**, **push notifications (FCM)**, authentication workflows, and secure storage; deployed backend services on **AWS**.

KEY PROJECTS

HemoQR — Hemoglobin Diagnostics (10k+ Downloads) [Android](#) [iOS](#) [Flutter, Kotlin, Swift, Chaquopy]

- Healthcare diagnostic app contributing to **1L+ tests**; RAW **Camera2** capture via **Method Channels**, **Chaquopy** on-device inference, **Hive** sync.

PrePapQR — Gynecological Screening (pH) (12k+ Downloads) [Android](#) [iOS](#) [Flutter, Cubit, Python, Hive]

- Women's health app for pH strip analysis with guided **image-capture workflow**, **calibrated inference profiles**, and **Hive** encryption.

Smart HRMS — Enterprise App (100+ Employees) [Android](#) [iOS](#): Apple Business Manager [Flutter, Cubit, Hive]

- Delivered **5 core modules** (Leave, Out-door Duty, Regularization, Comp-off, Attendance) tracking **40+ field employees** via **Dart Isolates**, with **geo-tagged** check-in/out and encrypted sync.
- Shipped private iOS enterprise releases to **100+ internal users** via **Apple Business Manager**, handling **provisioning**, **code signing**, **certificates**, and **release management**.

EDUCATION & CERTIFICATIONS

MCA — Govt. College of Engineering, Karad (2019–2022)
(2017–19)

B.Sc. Computer Science — K. Walchand College, Sangli

Certifications: Flutter & Dart Developer Guide 2025 (Riverpod) · Most Outstanding Resource, PiSyst (2022–23)
